

COLLEGE CREDIT

Take advantage of our \$50 for
**TWO college credits option – Just fill out
the enclosed registration form and
bring it with you on registration day!**

Dear Business Week Students and Parents:

Due to a partnership with the Edmonds Community College, we are able to offer two college credits for students successfully completing the 2010 Business Week Summer Programs (including the Healthcare, Construction and Get AMPT! Pathways). This is a great opportunity to get a jump start on college – so don't miss out!

Edmonds Community College (EdCC) has created a specific course for the Business Week Programs worth two credits that may be applied toward Management, Healthcare or Construction Degree options at EdCC (MGMT 155 for Business Week students, AHE 155 for Healthcare students, CONST 155 for Construction Week students, and CEN 155 for Get AMPT! students). These courses may also be recognized as elective credits at other colleges, however *it is up to each student to identify if and how credits will transfer to their intended college.*

All participants are able to benefit from a reduced tuition rate of \$50 (the typical community college tuition for two credits is \$177.34). ***These credits are optional, and the \$50 fee is in addition to your \$325 registration fee for the Business Week Program.*** These two college credits can be earned by fully participating in any of our one-week programs. There will be no additional tests or written papers required. The grade will be "S" (satisfactory). *Business Week will make the determination on each application for college credit whether or not that the student has satisfactorily participated in the program. If it is determined that a student has not completed the program outcomes successfully, the registration form and payment for college credit will be returned to the student.*

To register for college credits, you will need to complete the EdCC registration form included in this mailing. You must **bring the College Credit Application with you to registration.** Please **do not mail it to us** in advance. We also need a **separate** check or money order made out to *Edmonds Community College* (EdCC) in the amount of \$50.00. The college will ONLY accept cash, money order or check – no credit card transactions can be accepted! Washington Business Week is not able to provide financial assistance for the college credit fee. **Registration and payments will not be accepted beyond one week after the week you attend.** Be sure to **complete ALL required (highlighted) fields, especially the Social Security Number field.** EdCC will only accept registration forms that are complete.

Depending upon the quarter registered (summer 2010 or fall 2010), you will receive a letter from EdCC with directions telling you how to download your grade or request a college transcript from the EdCC website.

If you have any questions – please contact the Business Week office at (800) 686-6442.

Sincerely,

Stephen A. Hyer
Executive Director
