

***Make friends, build confidence,  
and have fun in the summer!***

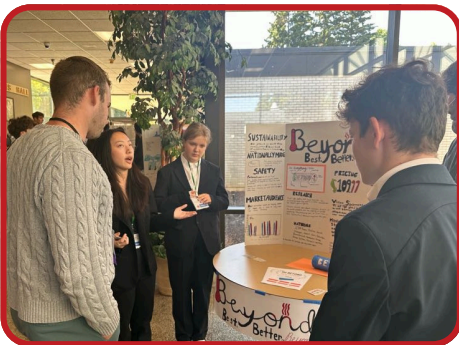

- ✓ Build a business end-to-end
- ✓ Strengthen your resume
- ✓ Earn 2 college credits!
- ✓ Mentorship from business leaders
- ✓ Become a better leader

## **Business Week is for any high schooler!**

In a college campus, students take the lead as their team races against the clock to develop a world-changing idea and present it to potential investors at the end-of-week Trade Show and Stockholders Presentations.

Guided by a mentor from the professional sector, students work as a team, explore careers, experience university life, and build a network with professionals and future leaders.
